

RUTH M. SOTOMAYOR CLAVELL

Aguadilla, Puerto Rico | 787-560-1146 | ruth.sotomayorclv@gmail.com

PROFESSIONAL SUMMARY

Business Operations and Supply Chain Professional with 15+ years of experience leading cross-functional initiatives across manufacturing, OEM, logistics, and global supply chain environments. Proven success coordinating projects, supporting business execution, managing operational priorities, mitigating risk, and collaborating with cross-functional stakeholders to achieve customer commitments and operational objectives. Experienced driving manufacturing readiness, supplier performance, procurement activities, material planning, inventory management, transportation strategies, and continuous improvement initiatives. Recognized for reducing transportation costs by 10%, managing approximately 150 domestic and international shipments per month, and delivering measurable results in fast-paced manufacturing environments. MBA with Project Management Professional (PMP) training in progress. Bilingual in English and Spanish.

CORE COMPETENCIES

Business Execution • Knowledge of the Export Regulations • Project Coordination • Program Support • Cross-Functional Leadership • Negotiation skills • Adapts quickly to shifting priorities and still hits critical milestones • Remote Work Skills • Stakeholder Management • Manufacturing Operations • Developing acceptable solutions • Operational Readiness • Supply Chain Planning • Procurement • Material Planning • Inventory Management • Customer Relationship Management • Risk Management • Continuous Improvement • KPI Reporting • Performance Metrics • Data Analysis • Microsoft Excel • SAP (Basic) • Power BI (Basic)

PROFESSIONAL EXPERIENCE

Supply Chain Lead | Silfab Solar

April 2026 – July 2026

- Supported the successful startup of a new OEM manufacturing operation by coordinating supply chain activities, material planning, and operational readiness.

- Partnered with Engineering, Procurement, Production, Warehouse, Quality, and Logistics to execute manufacturing priorities and maintain uninterrupted production.
- Coordinated supplier performance, procurement activities, inventory availability, and logistics execution to support aggressive production schedules.
- Identified operational risks, implemented corrective actions, and supported business continuity.
- Contributed to continuous improvement initiatives that enhanced operational efficiency and manufacturing performance.

Import & Export Logistics and Operations Supervisor | CBX Global

October 2013 – April 2026

- Managed end-to-end execution of approximately 150 domestic and international shipments per month while coordinating customers, suppliers, freight providers, customs brokers, and internal stakeholders.
- Reduced transportation costs by 10% through strategic carrier negotiations and transportation optimization.
- Coordinated multiple concurrent operational projects while balancing customer commitments, operational priorities, and regulatory compliance.
- Developed procurement and logistics strategies that improved operational efficiency and strengthened supplier relationships.
- Prepared KPI reports, operational dashboards, billing, aging, and performance metrics supporting management decision-making.
- Facilitated cross-functional meetings to resolve operational issues and ensure successful project execution.
- Maintained compliance with U.S. Customs, ACE, SURI, and global trade regulations while minimizing operational risk.

Quality Line Inspector | Abbott Medical Optics

2011 – 2012

- Performed quality inspections for FDA-regulated medical devices.
- Implemented corrective actions and maintained quality documentation.

Chemical Technician | Abbott Health Products

2007 – 2011

- Managed raw materials, production orders, and inventory supporting manufacturing operations.

Environmental Technician | Abbott Health Products

2005 – 2007

- Ensured environmental compliance and monitored wastewater treatment processes.

Project Assistant | Hewlett-Packard

2004

- Supported an operational efficiency project by analyzing energy data and coordinating implementation activities.

EDUCATION

Master of Business Administration (MBA) – Metropolitan University

Bachelor of Science in Environmental Technology – University of Puerto Rico

CERTIFICATIONS

PMP Training – 35 Contact Hours (In Progress)

IATA Certification

IMDG Certification

TECHNICAL SKILLS

Microsoft Excel • PowerPoint • Outlook • SAP (Basic) • Power BI (Basic) • CargoWise
• SISCON • SURI • Magaya • AMM

LANGUAGES

English (Fluent)

Spanish (Native)
